## **Business terms and conditions of night training flying at Hradec Králové Airport with effect from 01. 01. 2023**

### **1. Ordering the service**

Request for provision of night training flying is submitted at least 24 hours before the required date of the night training flight, via a web application [www.provoz.lshk.cz](http://www.provoz.lshk.cz) or in case of its unavailability via email: [handling@lshk.cz](mailto:handling@lshk.cz). In case of unavailability of the application, it is recommended to check the delivery of the application by phone: +420 491 617 686 (+420 731 658 193).

*Note:* Night training flying at Hradec Králové Airport is governed by the relevant provisions of the VFR Manual, as amended.

### **2. Service price**

The provision of night training flying will be charged as follows:

- up to 3 aircraft in the amount of CZK 4 800 for each hour started (in the case of more operators, the amount is calculated proportionally),
- every other aircraft CZK 1 600 for each hour started
- maximum number of aircrafts for local flying (circuits and ATZ LKHK): 4,
- in case of exceeding the ordered time (approved by the AD operator) of the night training flying, a fee of CZK 2 400 will be charged for every extra 1/2 hour started .

### **3. Coordination**

Before commencing a night training flying, operators are required to contact the unit providing information to known traffic regarding the intended flying during a flight shift. Without such notification / coordination agreement, the airport operator is entitled not to start night training flying. Subsequently, an amount corresponding to the scope of the requirement stated in the application for the provision of night training flying will be charged.

The number of aircraft for navigation flights will be specified upon discussion with the unit providing information to known traffic.

### **4. Request change**

The change of the required night flying start time is submitted to the Handling service no later than 2 hours before the TE on the day of the scheduled night flying. In this case, no fee is charged for the start time change.

In the event of a change of the required start time in a shorter time than stated above, a fee of CZK 800 will be charged for each started ½ hour of postponement of the time of the start of the night training flying.

### **5. Request cancellation**

The cancellation of the request is submitted to the Handling service no later than 2 hours before the TE on the day of the scheduled night flying. If the request is canceled in a shorter time than stated above, a full price will be charged for the provision of 1 hour of night training flying.

All prices are without VAT.

## **Business terms and conditions for the provision of one-time arrival / departure outside the operating hours of Hradec Králové Airport with the effect from 01. 01. 2023**

### **1. Ordering the service**

The request for the provision of one-time arrival / departure outside the operating hours of Hradec Králové Airport shall be submitted at least 24 hours before the required date of the night training flying, via a web application [www.provoz.lshk.cz](http://www.provoz.lshk.cz) or in case of its unavailability via email [handling@lshk.cz](mailto:handling@lshk.cz). In case of unavailability of the application, it is recommended to check the delivery of the application by phone: +420 491 617 686 (+420 731 658 193).

### **2. Service price**

The provision of one-time arrival / departure outside the operating hours of Hradec Králové Airport will be charged as follows:
